A creative agency

ECEMC is a dynamic and innovative advertising agency that has redefined the creative landscape in India. With a team of 20 talented individuals spread across two vibrant locations, Gurgaon and Kolkata, ECEMC has become a leading force in the world of advertising. Established in 2019, the agency has consistently delivered exceptional results and created memorable campaigns for clients across various industries.

ECEMC, we believe that our greatest asset is our people. With 15 creative minds, each with their unique talents and backgrounds, we form a diverse and cohesive team. Our team members are experts in various fields, including graphic design, copywriting, digital marketing, and strategy development. This diversity allows us to approach every project with fresh perspectives and innovative ideas, ensuring that our clients receive top-notch creative solutions.
